MEMORANDUM FOR: Director
National Reconnaissance Office

SUBJECT : Review of Overseas Photographic
Handling, Processing, and Reporting
of Sensitive Photography

1. We have your cable of 20 November 1964 proposing an ad hoc committee to review and update policies and procedures for overseas handling, processing, and reporting of sensitive reconnaissance photography. This is a desirable first step in clearing up a somewhat confused picture. We agree with General [redacted] proposal of 9 November 1964 that the "sensitive" photographic missions should include the [redacted]. We would also expect that SAC U-2 operations in Indochina would be treated as well.

MEMORANDUM FOR: Mr.

I agree that you cannot undertake to represent COMOR on this task force. On the other hand, I am anxious that you represent CIA and at the same time bear in mind that you are Chairman of COMOR. What I am saying is rather than make an issue of this in writing, at the first meeting of the task force you should point out that even though you are Chairman of COMOR and will keep COMOR advised of developments, you are in fact authorized to speak only on behalf of CIA. If this gives you any problem, come see me.
